“The meals have been really wonderful to eat and so helpful while I recover. I can't thank CMOW enough!”

Hot Chocolate Fest - A Great Success!

You might have noticed the buzz around YYC Hot Chocolate Fest in February - that's because this year the fundraiser was a huge success! With nearly 200 locations participating and 130 unique chocolate beverages to try, participating local businesses sold **92,000+** cups for an impressive **\$140,000** projected to be raised for Calgary Meals on Wheels!

Thanks to all of you who braved the cold to sip some tasty drinks for a good cause!

Stampede BBQ - Save the Date

We know it's still down the trail a piece, but it's easy to get excited about Stampede in Calgary. Save the Date for our Community Stampede BBQ on **July 11 from 12pm - 3pm**.

We'll have games, music, a 50/50 and raffle, and of course delicious food! And if you haven't visited us before this is your chance to tour our production facility. Mark your calendar now and we hope to see you there!

UnBEERlievable!

We are happy to share that Wild Rose Breweries has chosen to support us throughout the month of May with proceeds from beer sales! So if you get thirsty in May, head over to the [Wild Rose Brewery](#) in the Southeast (just up the road from our facility) and order a pint of the "Horns in the Haze". We might even see you there!

Birdies for Kids

This year we will once again be one of the charities benefitting from the **Shaw Charity Classic** golf tournament, presented by Rogers. We are eagerly awaiting this year's details of how your gift can be matched up to 50% through Birdies for Kids to raise funds for our free school lunch program, Hot Soup. Stay tuned for more on how to participate in the biggest Hot Soup fundraiser of the year!

On March 7 Calgary Meals on Wheels, in partnership with the Feeding Kids in School Network, participated in **The Great Big Crunch** to celebrate the strides made in healthy school food programming within the local community and implore the government to consider a nationwide lunch program. On April 1st we were thrilled to hear that the federal government has pledged **\$1 Billion over 5 years** to support a National School Food Program! Here's hoping this means more funding for our critically important school meal programs!
